JOHN BODGER & SON,

Santa Paula, Ventura County, California,

U. S. A.

To the Wholesale or Jobbing Trade Only.

SANTA PAULA, VENTURA CO., CALIFORNIA.

NOVEMBER 1st, 1895.

WE BEG TO SUBMIT OUR CONTRACT PRICES for growing seeds during the season of 1896. We hold our own stock, which we have selected with care this season, of the various things mentioned in this list, and any order, however small, you may favor us with (if only a trial order,) will receive our strict attention and careful watchfulness to trueness of name and character of plants, whereby we hope to merit the favor of your future commands.

Orders for Sweet Peas should be sent us early in December, and the latest January 1st. Nasturtiums, Frame Cucumbers and general Flower Seeds by February 1st, and for Beans by April 1st. If you wish us to grow any kind of seeds, whether Flower or Vegetable, not mentioned in this list, we shall be pleased to communicate with you.

Should you, or any representative, be coming to California at any time, we trust you will favor us with a visit, that we may have the pleasure of showing you what we are growing; or we shall be pleased to mail you (if distance permits) specimen flowers during the season, of anything you may desire.

Terms.

All accounts on Flower Seeds due January 1st, 1897. Special terms on Beans, and any information furnished on Application.

Satisfactory references required from unknown correspondents.
